Attn. Mr. N. Rafferty

CONTRACT No. QBIF11/2

**BELLOZANNE DECOMMISSIONED EFW PLANT
DEMOLITION OF CHIMNEY STACK AND ASSOCIATED WORKS**

Dear Sir,

Following the recent successful completion of the demolition of the EFW chimney at our Bellozanne facility, I would like to thank Rafferty International both personally and on behalf of the States of Jersey, Transport and Technical Services Department, for the way in which the project was delivered.

It has been a pleasure to work with Rafferty International. Their attention to the safe implementation of the works, environmental management, adherence to programme and budget, management of subcontractors and the supply chain and their overall regard for Client's interests has been exemplary.

I would recommend Rafferty International to any prospective client and would welcome the opportunity to work with them again in Jersey.

Once again, many thanks.

Yours faithfully,

P. Wilkinson
Principal Engineer, Contract Management
